#### BEER AND WINE REFERENDUM

The following notice has been received from M. G. POOLE, Assistant to the Vice-President (Finance and Administration).

The University of Alberta is to hold a referendum to determine whether the staff and students of the University favor the sale of beer and wine for consumption on licensed premises on the campus. The polls will be open during the hours 12 noon to 4 p.m. on January 16, 17, and 18, 1973 on the main floor of the Central Academic Building.

Staff and students at Collège Universitaire Saint-Jean will vote at the poll on the premises during the hours 12 noon to 4 p.m. on January 16 and 17, 1973.

Eligible voters include all persons 18 years of age or over who are:

- (1) Full-time and part-time students registered at the University and on the campus during the 1972-73 winter term, with the exception of Extension students and Evening Credit students taking courses off the campus; or
- (2) Full-time and part-time academic and non-academic staff members of the University;
- (3) Full-time and part-time staff members of the Students' Union.

The voters' list will be available for inspection from January 9 to 11, inclusive, at the information desk on the main floor of the Students' Union Building and at the General Office of Collège Universitaire Saint-Jean. Any eligible voters whose names are not on the list will be asked to complete a voter application form.

Should 60 percent of the voters casting ballots vote in the affirmative, the Board of Governors will then be able to make application to the Alberta Liquor Control Board for the required license to sell beer and wine for consumption on the campus. Proposed outlets on the campus will probably require the approval of the Board of Governors and the Alberta Liquor Control Board.

Any enquiries about this matter should be referred to M. G. POOLE, Assistant to the Vice-President (Finance and Administration).
